

About Daniele Cardone, B.S.N., Egg Donor/Gest. Carrier Program

Daniele worked with Dr. Cardone during the past 20 years as a fertility nurse, clinical director and Egg donation/Gestational Carrier Program Manager.

She worked with Dr. Cardone as co-founder of the Montreal Fertility Institute; and then in the U.S. to establish an infertility practice at Atlanticare in Lynn and set up three subsequent private practices.

Prior to working with Dr. Cardone, Daniele worked in Quebec, Canada as a pediatric nurse at St. Sacrament Hospital and St. Justine Hospital.

She holds a Collegial Diploma in Health Sciences from Canada and earned her B.S. in Health Sciences and Nursing at Laval University.
